

Features of Conversations	Prompts to Use with Features	Prompts for Responding
Create an idea 	What is your idea? What do you think about...? What do you notice?	One idea could be.... My hypothesis is... I noticed...
Clarify your idea 	What does that mean? Tell me more about... Can you elaborate?	I think it means... In other words... It sounds like you think that..
Fortify and support your idea 	Can you give an example from the text or experiment? Where does it say that? Are there any examples of that in your life?	In the text it said that.... For example, in the experiment... On this page /paragraph it says... An example from my life is...
Negotiate 	What do you think? What is your opinion? What can we conclude? How might we take the best from both ideas?	I think... My opinion is... We can conclude.... On the other hand... I see it a different way,..
